

# April is National Autism Awareness Month

## Recognize your Big Stars

Sponsor a star in honor of someone impacted by autism during April's Big Stars for Little Stars campaign.

All proceeds benefit the Little Star Center scholarship program, which supports our families when insurance challenges arise.

**Cost:** \$25 per star or \$100 for five stars (donations are tax deductible)

**How:** Complete the form below and return it to your Little Star Center manager.

**Why:** One in 68 children nationally is affected by autism. We will plant one yellow star and 67 blue stars at each of our centers in April to show autism's impact.

Return this completed recognition form to the reception desk at your Little Star Center with your donation by Friday, March 24. Donations also are accepted via our website: [LittleStarCenter.org/donate](http://LittleStarCenter.org/donate).
